

I have sent our applications on 4th inst. accompanied with our medical reports (Our pathologist tells us that they are normal) and a photostatic of my High School certificate, as a proof of my age. My wife has no recorded proof of age.

I retired as the Head of the Dept. of Pol. Sc., Vaish (Now of Vyapari Varg) P.G. College, Shamli.

I was frequently invited to speak at the fora of Lions Club, Rotary Club, Arya Samaj, Jain Samaj and several other organizations.

Our applications shall, of course, be decided on merit. I, however, hope that if my wife and I have the opportunity, I may render some social service on the intellectual and spiritual plane. I may contribute a bit financially too.

For having taxed your precious time so heavily I would beg to your indulgence.

With ^{the} profoundest deference to Smt. Ahaji and yourself.

Very truly yours,
Gautam Prasad Garg
